CHURCH RESOURCES

I Am a Church Member

Best-selling author and ministry leader Thom S. Rainer drew an exceptional response when he posted a 500-word declaration about church membership to his daily blog. "I Am a Church Member" started a conversation about the attitudes and responsibilities of church members—rather than the functional and theological issues—that previous new member primers all but ignored. Thoughtfully expanded to book form, *I Am a Church Member* begins to remedy the outbreak of inactive or barely committed church members, addressing without apology what is expected of those who join a body of believers. When a person's attitude is consistently biblical and healthy, matters of giving, serving, and so forth will fall into place more naturally. Six intentional chapters with study questions guide this rising discussion:

1. I Will Be a Unifying Church Member
2. I Will Not Let the Church Be About My Preferences and Desires
3. I Will Pray for My Church Leaders
4. I Will Lead My Family to Be Healthy Church Members
5. I Will Be a Functioning Member
6. I Will Treasure Church Membership as a Gift

I Will!

Every day we are faced with the needs of those around us. Emotional. Physical. Spiritual. What are we to do about it? Are these problems for our pastors to address or is there a way for the church member to make an impact that will last? Bestselling author Thom S. Rainer answers these questions by offering nine simple traits that you can incorporate into your life no matter your background, stage of life, or sense of capability. You can do it. Now it's time to just stand up and say you will!

Autopsy of a Deceased Church

No one wants to see a church die. And yet, far too many churches are dying. For more than 25 years, Dr. Thom Rainer has helped churches grow, reverse the trends of decline, and has autopsied those that have died. From this experience, he has discovered 12 consistent themes among those churches that have died. Yet, it's not gloom and doom because from those 12 themes, lessons on how to keep your church alive have emerged.

Whether your church is vibrant or dying, whether you are a pastor or a church member, *Autopsy of a Deceased Church* will walk you through the radical paths necessary to keep your church alive to the glory of God and advancement of Christ's Kingdom!

Becoming a Welcoming Church

Most church members don't see their churches clearly. In almost all of Thom S. Rainer's consultations, church members perceive their church to be friendly. But as he surveyed guests, he found that the guests typically saw church members as unfriendly. The perception chasm existed because the members were indeed friendly . . . to one another. The guests felt like they crashed a private party. Bestselling author Thom Rainer has a game plan for churches to become more hospitable. In a format that is suitable for church members to read individually or study together, Rainer guides readers toward a practical framework for making a difference for those who visit their church. Churches may use *Becoming a Welcoming Church* to assess and audit where they are on a spectrum between welcoming and wanting. Additionally, churches can use the companion book *We Want You Here* to send guests home with a compelling vision for what pastors want every guest to know when they visit.

We Want You Here

The message is basic but profound. We want guests to know they are welcome to the church. This book is a gift to guests to communicate that very message. Bestselling author Thom S. Rainer (*I Am a Church Member*, *Autopsy of a Deceased Church*) has created a tool for churches to become more hospitable through a brief, welcoming book that introduces the ministry of the local church to guests. *We Want You Here* is a clear and instructive message to be given to church guests. Rainer facilitates the follow up conversation that every pastor would have, if they had the opportunity. By giving away the book to guests, they are encouraged, in a non-intrusive manner, to continue to reflect on the decision to visit their church. Those churches who share *We Want You Here* will be able to tell their guests:

- We Really Want You Here
- This is Not a Place for Perfect People
- We Would Like to Get to Know You
- This is Where Families Grow Strong
- Getting to Know the One Who Made Us
- Come Make a Difference with Us
- Thank You for Being Here
